Dr. RAHUL THAKKUR  
SHUBBECHHA HOSPITAL

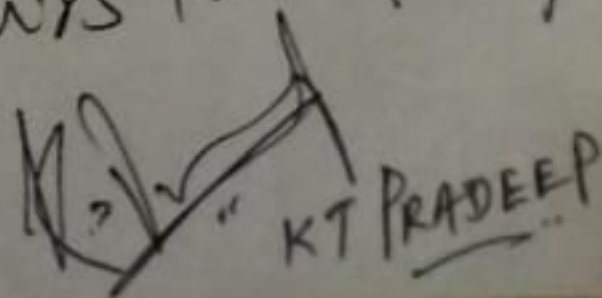

Dear Dr. THAKKUR,

This letter is to acknowledge the excellent treatment & service provided by you and the hospital staff to my father K.T. NARASIMHAN. Even though he lost his battle to cancer, he was satisfied with the support & the treatment provided by you & we will always be thankful for all the assistance provided to us.

We are grateful to the magnanimous nature of the billing staff to allow us to complete the formalities to get my father discharged even before clearing the bills. This is completely unheard of nowadays & all my relatives thoroughly appreciated this gesture during our difficult times.

Once again a big thank you for all the support.

Yours faithfully
